

## LandscapePAK Landscaping Insurance Program

### AVAILABLE PROGRAM COVERAGES

General Liability • Cyber Liability • Business Auto • Property • Equipment Breakdown • Inland Marine • Excess

### Landscaping Insurance Program

LandscapePAK provides insureds with a comprehensive commercial insurance package, including cyber liability and equipment breakdown coverages.

### Program Overview

- Landscape association and accreditation premium discounts (where allowable)
- MiniCo's proprietary direct bill monthly GL reporting pay-as-you-go and monthly pay options for package and auto coverages
- Eligible operations include landscape installation, maintenance, lawn care services, hardscape, arborists, snow removal, nursery, and more
- Currently available in AZ, CA, and NV. Additional states coming soon!

### Package Coverage Highlights

- Landscaper services workmanship error—property damage included
- Pesticide and herbicide coverage included
- General liability-blanket A/I, waiver of subrogation, and per project aggregate all included
- Cyber liability optional with general liability coverage
- Landscapers property coverage extension
- Equipment breakdown with additional coverage options
- New ventures can be considered
- Various per occurrence deductible options

Consult the applicable insurance policy for specific terms, conditions, limits, limitations, and exclusions to coverage. Not all coverages or options stated above may apply to each policyholder.

Coverages underwritten by:
