To Our Valued Producers,

At MiniCo, our promise is to help you when you need it most. So when it comes to managing our own business continuity and emergency preparedness, we are focused on doing what it takes to be there when you need us.

In the weeks ahead, we know that you will need your partners at MiniCo to support you, your business, and your clients . and we will be there.

COVID-19 is not impacting our customer service, and MiniCo's systems and processes are in place so that we may continue to offer quotes, issue policies and endorsements, and provide quality claims handling. Our crisis management team is monitoring developments to mitigate any potential business interruption. As with many organizations, we are limiting non-essential travel in accordance with CDC and WHO guidelines. This is to protect not only our employees, but also our clients. In an unusual climate, it is business as usual at MiniCo. We are here, as always, to provide uninterrupted service.

Thank you for trusting us with your business. Please reach out to us with any questions. We look forward to serving you safely as we all work through this unprecedented situation.

Sincerely,  
Your Valued Partners at MiniCo
